

Join Team ICR!

Be part of something life-changing – take on a challenge and support our world-leading cancer research.

Whether you enjoy running, cycling, trekking or endurance, your effort can power the life-saving breakthroughs being made in our labs.

Our discoveries are defeating cancer thanks to the dedication of people like you. And we'll support you every step of the way – cheering you on until you reach the finish line.

Ready to make a difference?
Sign up to one of our events today.
